# GENERAL INFORMATION

## ***HISTORY***

Continental School of Beauty has been located in Rochester, New York for more than 50 years. Currently we have schools in Rochester, Buffalo, Batavia, Olean, West Seneca and Syracuse (Mattydale), New York. Because of popular demand, we have added other programs to our Hairdressing and Cosmetology program such as Esthetics, Nail Specialty, Esthetics & Nail Specialty and Barbering. The Rochester and Mattydale locations are corporately owned by Continental School of Beauty Culture. The Batavia, Buffalo, Olean and West Seneca locations are corporately owned by Resso Beauty Corp.

## ***PHYSICAL FACILITIES***

All Continental Schools of Beauty have completely modern air conditioned facilities with up-to-date equipment. There are separate classrooms for each level of instruction. Each school also has a “work shop” or “clinic” area which is open to the public where students, supervised by licensed instructors, practice on men and women and are given “hands-on” experience.

The Jefferson Road school is located in a small, modern street level plaza on the outskirts of Rochester. It is one block away from one of the most successful shopping centers in Rochester, Marketplace Mall and is located on city bus routes. The school offers Hairdressing and Cosmetology, Esthetics, Nail Specialty, Esthetics & Nail Specialty and Barbering.

Each location maintains a school library containing periodicals, books, audio and video tapes, and DVD’s for students to use in school or check out to use at home.

Each school campus also has administrative offices and a student lounge with lockers. Ample free parking is available at each location.

All of the facilities are handicapped accessible.

No qualified handicapped person, by reason of the handicap, will be excluded from enrolling in a course of instruction. However, any handicapped person seeking admission should be aware that all programs require a high level of manual dexterity and coordination, and extended periods of stand up practical work in the clinic. Students with special needs should check with the school before completing an application to be certain that the school is able to accommodate them.

## **FINANCIAL AID**

The primary purpose of financial aid is to provide financial resources to students who, otherwise, would be unable to pursue post-secondary education. All programs except Nail Specialty are eligible for financial aid.

Continental School of Beauty Culture is approved to participate in U.S. Department of Education Student Aid Programs. Students can apply for financial assistance through the Federal Pell Grant (PELL) program and/or the Direct Loan program.

To be qualified for financial aid under these federally sponsored programs, the student:

- Must be a US National or US permanent resident (holding an alien registration card).
- Must demonstrate financial need.
- Must be enrolled on a full-time or part-time schedule.
- Cannot be in default of a prior federal grant or loan.
- Must maintain satisfactory progress.

### ***FEDERAL PELL GRANTS***

These are awards to undergraduates (not holding a bachelor's degree) who demonstrate financial need. These grants need not be paid back. If a student qualifies for a grant, half of the award will be credited to the student's account at the beginning of the program and half at the midpoint of the program providing the student maintains satisfactory progress.

### ***DIRECT LOAN PROGRAM***

These are low interest loans made to the student by the U.S. Department of Education. A student must demonstrate financial need to qualify and all loans **MUST** be repaid. Repayment begins six months after completion of or withdrawal from the program for subsidized loan borrowers. Unsubsidized loan borrowers are responsible for interest that accrues during all in-school, grace, and deferment periods. The maximum amount a first year student can borrow varies by the program.

### ***DIRECT PARENT LOAN FOR UNDERGRADUATE STUDENTS***

This program enables the parents to borrow directly from the U.S. Department of Education to pay for a dependent child's cost of education. Repayment begins immediately after the last disbursement of the loan, while your child is still in school. However, you may be able to defer making payments while your child is enrolled, for an additional six months.

## ***VETERANS BENEFITS***

The school has been approved by the New York State Division of Veterans Affairs for training of veterans and other eligible persons. For more information regarding benefits, students can call (518) 474-7606, or write to:

NYS Division of Veterans Affairs  
2 Empire State Plaza, 17th Floor  
Albany, New York 12223-1551

## ***OTHER FINANCIAL RESOURCES***

For eligible students, assistance may also be received through the Adult Career and Continuing Education Services (ACCES), Native American Aid, MyCAA or Americorps.

For more information call the Financial Aid Counselor at the nearest Continental location.

# POLICIES AND REGULATIONS

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

All students, regardless of whether they are receiving financial aid, must attend regularly and complete their course of study within a maximum timeframe. Satisfactory progress requires a minimum of 80% attendance and a minimum GPA of 70% at each evaluation period. Evaluations are given to students as they are completed. Students are notified of any evaluation that impacts their eligibility for financial aid.

Qualitative factors that determine academic performance: A+, 95-100; A, 90-94; B+, 85-89; B, 80-84; C+, 75-79; C, 70-74; D, 65-69; F, Below 65. Students meeting minimum requirements are considered making SAP until the next evaluation period.

Students who exceed the 125% maximum timeframe will be terminated.

Transfer hours from other institutions will affect a student's pace. Each transfer student will be evaluated based on his/her individual program. Evaluations will occur according to the standards set above. Transfer hours will be counted as both attempted and completed to determine when maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave. No monetary charges or accumulated absences will be assessed during this period. Re-entering students will return to school in the same status as when they left.

Course incompletes, repetitions and non-credit remedial courses do not apply to our school. Therefore these items have no effect upon the school's SAP standards.

If a student falls below the minimum requirements, he/she will be placed on warning for the next payment period. A student is considered in satisfactory progress while on warning. If the student does not meet the minimum requirements by the end of the next payment period all financial aid will be terminated and the student will be determined not in satisfactory progress.

A student may re-establish satisfactory academic progress and Title IV aid eligibility, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period.

### ***ATTENDANCE and TARDINESS POLICY***

Desirable work habits, attitudes, and a professional manner are extremely important while in school. Students are expected to be set up, on time and in class every day. Class time missed for any reason is translated into equivalent hours of absenteeism. Students will be admitted to class after roll call with proper documentation and/or permission from the office. Excessive tardiness may result in being sent home for the day.

Students' clock hours are based on the quarter (1/4) hour and will reflect the time closest to that. Example: a 9:30 - 9:37 AM punch will be counted as a 9:30 AM start time and a 9:38 AM or later punch will reflect a 9:45 AM start. All hours of attendance are credited to students' total clock hours.

Course incompletes, repetition and non-credit remedial courses do not apply to this school.

### ***MAKE UP WORK FOR ABSENCES AND EXTRA INSTRUCTION CHARGES***

Students who have been absent are allowed to make up time without charge during the scheduled training period. All missed hours must be made up. Students are encouraged to make up missed time as they go along. Make up time is scheduled by the Director with the student. Make up time is recorded in the same manner as regular school time.

Students absent for any reason have the opportunity to make up hours at no additional charge provided the make up time is completed during the enrollment times as outlined on the front of the Enrollment Agreement.

### ***LEAVE OF ABSENCE (LOA)***

The New York State Commissioner's Regulations Section 126.4(e)(6) states, In the case of prolonged illness or accident, death in the family or other special circumstances that make attendance impossible or impractical, a leave of absence may be granted to the student if requested in writing and signed by the student or his designee.

Leaves of absence must be requested in advance unless unforeseen circumstances prevent the student from doing so. For example, if the student were injured in a car accident and wasn't able to return to school to request the leave. Students will be required to provide documentation to substantiate a leave due to unforeseen circumstances. The beginning date of the leave will be the first date the student was unable to attend school because of the accident.

In order to be granted a leave of absence, there must be a reasonable expectation that the student will return from the leave.

The following are criteria that Continental School of Beauty will use in determining a student's eligibility for a leave of absence:

- Illness of a student or immediate family member.
- Death in the student's immediate family.
- Loss of child care.
- Loss of transportation.
- Financial problems.

Any other reasons are not in accordance with the Commissioner's regulations and will be denied.

No monetary charges or accumulated absences may be assessed to the student during a leave of absence.

A student will be allowed leaves of absence in accordance with their enrollment agreement. In rare circumstances, and with written documentation from a physician, students may be granted an extended medical leave for up to 180 days. At no time will a student's leave time exceed 180 days in a 12 month period.

Students on a leave of absence are not considered to have withdrawn and no refund calculation will be performed at that time. However, for students who do not return from their leave their withdrawal date, for purposes of calculating a refund, will be the student's last day of attendance.

Leaves of absence extend the student's contract end date by the same number of days in the leave. Changes to the contract period are included as an addendum to the student's enrollment agreement on the Leave of Absence Request form.

Students in attendance for less than 30 days are not entitled to a leave of absence for any reason.

All financial aid and any necessary paperwork must be completed in order to be granted a leave of absence.

## **WITHDRAWALS**

Students who wish to discontinue their training are to notify the Director in writing either in person or by mail. Students who are absent for 14 consecutive days will be automatically terminated by the school.

## ***STANDARDS OF CONDUCT***

Students must adhere to school guidelines and follow all school regulations. Use of alcohol or drugs at school is cause for immediate dismissal. Students whose conduct is dangerous to others or disruptive to the operations of the school may be suspended or terminated immediately. Action of suspension or termination is delivered in writing either in person or by mail.

## ***TERMINATION BY SCHOOL***

The school reserves the right to suspend or dismiss a student for failure to make payments when due, poor attendance, failing grades in practical and theory work, insubordination, or any behavior deemed unacceptable or dangerous.

## ***STUDENT RESPONSIBILITIES***

Any student who has financial aid payments withheld because of poor attendance or academic standards, will be held personally responsible for tuition still owed the school.

## ***STUDENT DRESS CODE***

Continental School of Beauty has a uniform policy for all students. Students are expected to maintain and care for their uniforms.

Hairdressing and Cosmetology students must wear black pants/skirts with socks or stockings and all black closed toe shoes; no jeans or sandals are allowed. An industry standard outer garment is provided by the school and must be worn at all times. Students are to provide their own black shirt with sleeves which must be worn at all times.

Esthetics & Nail Specialty students are provided with a scrub uniform, both top and bottom. Students are to provide a white T-shirt which is worn under the scrub top, and white, closed toe shoes.

Barbering students are provided with a barbering jacket. Students must wear black pants and black closed toe shoes.

Any student not in uniform will be sent home for the day. Hats, hoodies and head scarves are not part of the uniform and should not be worn in school. Students are asked to refrain from wearing extremely bizarre hair styles, cuts or color while they are in school.

## ***REFUND POLICY and CANCELLATION***

- An applicant rejected by the school shall be entitled to a refund of all monies paid.
- A student who cancels within 7 business days of signing the enrollment agreement, shall be entitled to a refund of all monies paid to the school. Policy applies regardless of whether or not the student actually started training.

- A student who cancels after 7 business days, but prior to starting class, is entitled to a full refund less the \$100 registration fee.
- The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person.
- Fees and charges paid to the school for goods and services which have not been provided by the school and accepted by the student, shall be refunded.
- A student will be liable for the non-refundable registration fee, the cost of any textbooks or supplies accepted, and any tuition liability for hours completed as calculated using the State Education Department refund policy.
- Any monies due an applicant are refunded within 30 days of formal cancellation or termination. The failure of a student to immediately notify the school director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to section 5002(3) of the Education Law.
