

Completion/Graduation Rates Student Right-to-Know Act

In Accordance with the Higher Education Act of 1965, as amended, Continental School of Beauty Culture provides the following information on its completion rate of first time, full time, certificate seeking students that started school between September 1 and August 31 of every year. The regulation requires that institutions compile this information once 150% of the normal time to complete the longest program offered by the institution has elapsed.

During the period September 1, 2022, to August 31, 2023, 42 full time, first time, certificate seeking students began school at Continental School of Beauty Culture-West Seneca. After the expiration of 150% normal time to complete the longest program, 35 students or 83% had completed the program. The following are the disaggregated rates for this cohort:

GENDER

Female	98%
Male	3%

RACE-ETHNICITY

Asian	5%
Black	31%
Hispanic	2%
White	52%
Two or more races	10%
