

Credit for Previous Training

Students who have had previous training from another school must submit an official transcript of hours and grades prior to enrollment. They will then be evaluated by written examination to determine the number of hours for which credit will be given. In instances where the applicant does not pass the written exam, partial or no credit may be awarded. The evaluation fee is \$50. Tuition will be adjusted accordingly. Transfer hours will be counted as both attempted and completed for determination of maximum timeframe.
